

***Happy to hear  
you will be a member of our CSA this year!***

We look forward to a season of beautiful vegetables, shared work, and opportunities for gathering!

The CSA will distribute produce for 22 weeks this season. Early in the season, we start with leaf vegetables and the diversity quickly builds as we move into the warmer months. As an additional service, we will offer items for purchase, including eggs, honey, and meats.

Your first step in becoming a member is to choose the type of membership that best suits you:

- |                       |       |                                  |
|-----------------------|-------|----------------------------------|
| • Working Full Share  | \$400 | 60 Hours of work/season          |
| • Season Subscription | \$500 | variety of 12-14 vegetables/week |

### **Agreements**

The working member agrees to:

- Work 75 hours over the course of the season
- Set-up a work schedule with the farmer
- Provide supervision for young children within the boundaries of the garden

The subscription member agrees to:

- Pick-up produce within the designated hours
- Inform farmer of vacation times or provide the name of the person who will be picking-up their vegetables while they are on vacation

The farmer agrees to:

- Teach members how to accomplish the tasks within the garden
- Inform members of what is available for harvest
- Provide support to each member as they complete their hours of service

Please be sure that you have submitted your registration form with an indication of when you would like to pick up your share each week. We ask that payment for the CSA is made prior to the start of the season. Other payment arrangements can be made with Sr. Ellenrita Purcaro, [harmonyfarmcsa@gmail.com](mailto:harmonyfarmcsa@gmail.com)
